Authorization/Release of Information

1. I certify that all the information provided by me on this form is true and complete. I understand that any misstatement, falsification, or omission of information is grounds for refusal to allow or continue access to the district.
2. I authorize any of the persons or organizations referenced on this form to give the Gering Public Schools any and all information concerning my previous employment, education, or any other information, personal or otherwise, with regard to any of the subjects covered by this form; and I release all such parties from any and all liability for any damages that may result from them furnishing such information to the Gering Public Schools.
3. I authorize the Gering Public Schools to request, receive, and verify all information given on this form and I release the Gering Public Schools, its Board of Education, administrators, employees, and agents from any and all damages that may result from the Gering Public Schools doing so.
4. School policy requires that a criminal history record information check be completed prior to volunteering/district access. Once it is determined I meet the minimum qualifications, I authorize the Gering Public Schools to conduct a criminal background investigation and an investigation of the Nebraska Department of Human Services Central Registry using any and all methods necessary to successfully complete such investigation and I release the Gering Public Schools, its Board of Education, administrators, employees, and agents from any and all damages that may result from the Gering Public Schools doing so. I also authorize any background checks by any third party. I understand that a conviction does not automatically prevent me from making this application to the Gering Public Schools or is it a bar to volunteering/district access in all cases; however, I do understand that the existence of a criminal record may result in my not being given access, or if I am given access and the same is thereafter discovered, I may be terminated from volunteering/district access.
5. I understand that any material submitted in connection with this form will become the property of the Gering Public Schools and not returned to me.
6. **NON-DISCRIMINATION NOTICE:** It is the policy of the Gering Public Schools to comply with federal and state law, and not to discriminate against requests for access on the basis of race, color, religion, sex, national origin, marital status, age, or disability. Sexual harassment is a form of misconduct which undermines the integrity of the district access relationship, and is prohibited.
7. If requestor will be compensated for services, the Gering Public Schools will comply with Title 15, Chapter 41, Subchapter III, Section 1681c. of the United States Code in reporting of information requested hereunder and covered by said statute as the same may from time to time be amended. In addition, the Gering Public Schools will comply with Neb. Rev. Stat. §48-2301 to §48-2308, as the same may from time to time be amended. These statutes require an employer, who hires or rehires any one for any amount of income or compensation, to provide the Nebraska Department of Health and Human Services with the person's name, address, and Social Security number and the district's name, address and federal tax identification number.
8. Upon termination of my district access, I authorize the release of reference information regarding my duties/responsibilities.
